PRIVATE EVENTS AT SHY'S

At our house, we work hard to provide VIP guest experiences. We work with you directly to confirm timelines, menu planning, and ensure all details from layout to timing create a seamless event from start to finish. We offer private event spaces for the duration of your time with us, and work hard to use thoughtful, tasteful decor, and add customized elements to each event. Our operations co-ordinator will invite you to come and tour the space and go over details in person.

important

it is important that you ensure to provide us with ALL guest dietary + mobility restrictions and **have a final guaranteed guest count** before starting your planning so we can provide the most detailed quote.

A non refundable deposit equaling the amount of the room rental fee for your event will be required once menu planning has begun. Guests will have 5 days prior to the event to cancel with no penalty.

Shy's has a unique layout with two levels, private rooms, and year round patio experiences. We are limited to the amount of guests that can be seated in certain areas so depending on your final guest count and budget we will advise you of where and how we can best execute your event.

We will provide you with options for a sit-down prix fixe or buffet options depending on your event. Pricing may be subject to change with notice based on seasonality, market costs, availability etc.
